

## Congratulations Card

DESIGNED BY SUZANNE AUSTIN

### MATERIALS

ColorBox® India ink,  
ColorBox® Spritzers: Pumpkin Pie, Pinkolicious, Fireberry  
Watercolor paper  
Stampendous Floral Stamp  
Stampendous Congratulations greeting  
Bazill cardstock

### DIRECTIONS

1. Using ColorBox Spritzers, separately dilute the three colors with one part spray two part water.
2. Beginning with the lightest color, apply the ink with a paintbrush by tapping the color onto the paper.
3. Using clean water and a paintbrush, tap water on top of the ink splatters to expand and give them a watercolor effect.
4. Repeat this process with all three colors.
5. Using a heat tool, dry the inked area thoroughly.
6. Once the ink is dry, use ColorBox® India ink to stamp the flower image over the colored area and let dry.
7. Cut out and adhere the greeting to the card.
8. Adhere the dried image to the cardstock card front.
