Use the Watermark inkpad for all of the stamping.

Instructions:

1. Stamp manuscript background on glossy cardstock, heat set and then brayer with Aqua ink. Next, stamp daisy block over the brayered Aqua, heat set and brayer again using Olive ink. The first brayering creates a manuscript resist and the second brayering adds a daisy resist.
2. Roll the Say What? stamp wheel onto glossy cardstock, green cardstock and dark teal cardstock. Emboss the green and dark teal text with Clear embossing powder. Punch into butterflies.
3. Using a sponge applicator, edge the butterfly wings with Watermark ink and powdered chalks.
4. Brayer the glossy stamped cardstock with Olive ink and punch into a butterfly.
5. Attach gold brads and assemble the card as shown. Use foam tape to attach the butterflies.
