- ColorBox® Glitter: Winter Frost
- Assorted Metal Jewelry Charms: Love, Dragonfly, and Fairy
- Glass and Cork Craft Bottle: 1.5 mL
- Small Screw Eyelet
- Jump Rings 8 mm
- Jewelry Pliers
- Leather Cording
- Scissors
- E-6000 Glue
- Fine Tip Paintbrush
- Water Cup
- Paint Palette
- Sponge Sanding Block
- Heat Tool

### DIRECTIONS

1. Add the small screw eyelet to the top of the cork. Fill the glass bottle  $\frac{3}{4}$  full of glitter and glue the cork into the bottle.
2. Apply a single drop of each ColorBox® ColoriQue color to the paint palette.
3. Using the paintbrush, apply Poppy to the bottom half of the Love charm. Dry with the heat tool. Apply Honey Bee to the top portion of the charm, slightly blending into the Poppy color. Dry with the heat tool. Clean the paintbrush between colors.
4. Lightly sand the charm, allowing the raised design to appear through the ink.
5. Apply Avocado to the center of the dragonfly wings. Dry with the heat tool. Apply Turquoise Mountain to the outer portion of the wings, slightly blending into the Avocado color. Dry with the heat tool.
6. Lightly sand the wings, allowing the raised design on the wings to appear through the ink.
7. Ink the outer portion of the fairy wings with Turquoise Mountain and dry with the heat tool. Add Grape Vine to the inner portion of the wing, as shown. Dry with the heat tool. To finish the fairy wings, apply Honey Bee between the Turquoise Mountain and Grape Vine colors. Dry with the heat tool.
8. Add a jump ring to the eyelet atop the glitter bottle. Add jump rings to each of the charms. Attach the dragonfly jump ring to that of the love charm.
9. Cut a piece of the leather cord to 36" or desired length.
10. Slide the charms on the leather cord and knot the ends.
